Your Honor,

AT GREENBELT  
CLERK, U.S. DISTRICT COURT  
DISTRICT OF MARYLAND

DEPUTY

Forgive me if this is not the proper form. I have a potential Life and Death situation, And it needs to be addressed. April 2009 my son was ACCUSED of being involved in a prison Murder. The victim was a member of the B.G.F, with our last name being a "oddish" type name it did NOT take long for the B.G.f to find out that Kelly Toomer was my son. And it's been a WAR every since. Furthermore, On March 15<sup>th</sup> 2013 I was convicted of Killing a High-Ranking member of the Bloods!! I've contacted I.I.U "NO RESPONSE" I wrote the Unit manager Lt. Smith, He referred me to case manager, Mr. Teal I spoke with Mr. Teal face to face, He said, "he would put me on the pass-list," And speak with me the week of March 8<sup>th</sup>. O.k things happen and I really understand that, however it's time to get started. first I'm housed at **NBC-I** but I'm a **B.C.D.C** detainee. The policy in place now is everybody goes thru B.C.D.C once there convicted You may remember I was stabbed multiple times and correctional officers assisted in the aforementioned attacks!! All at **B.C.D.C**, I'm asking for a ~~Temporary~~ Injunction, Not to return to B.C.D.C in my present situation,

More than anything I feel as though I will not be the victim again!! As a Judge you've seen just about everything twice. I imagine living through everything twice. That's how I feel, The next time anyone comes at me, Blood, Crip, BGF, Monkey, Kings, Number, letters ANYTHING I'm killing it, them, they whomever, I WILL NOT BE THE VICTIM!! Never again.

**Second.** The Division of Correction has a program that sends Maryland Prisoners to other States to do there time. That's my goal, But first I need a temporary Injunction.

Finally, Your Honor it's actually that serious I pray you issue this Injunction. So I can continue my legal fight for my freedom

Respectfully  
Submitted,  
Derrick Troner

Thankyou in advance for your prompt and courteous response!

To be crystal clear, I'm asking for a Temporary Injunction as to NOT return to B.C.D.C. My physical person need not to be there to be classified
